the ART of FREEDOM

CALL FOR ENTRIES
Art Auction and Sale

When Garland Spore, daughter of Dr. and Mrs. Scott Spore (a Board member of OneVoiceHome) in Lubbock, learned of the reality of sex trafficking of young girls her own age in our area, she became determined to help make a difference. Her vision of an art show to raise funds for this cause has grown into The Art of Freedom.

The Art of Freedom is a vital CAUSE that is the signature fundraising event for OneVoiceHome. OneVoiceHome is a Faith Based, State Licensed, Therapeutic Residential Treatment Center for Domestic Minor Sex Trafficking Survivors. The OVH will serve young girls ages 12 to 18. They will experience individualized and holistic care. Their healing journey will include emotional, mental, spiritual, educational, and physical tools for them to find individual success!
